

The drawing is a technical cross-section of a road, labeled "Coupe 1". It shows a central road area with a grey hatched section and a blue hatched section. The road is flanked by yellow hatched areas representing shoulders or embankments. To the left of the road is Lot 12 with an area of  $S = 488 \text{ m}^2$ . To the right is Lot 13 with an area of  $S = 478 \text{ m}^2$ . The drawing includes several elevation points and a scale bar. The scale bar is labeled "1:1" and shows a distance of 8.29. The elevation points are marked with asterisks and numbers: 8.21, 8.17, 8.09, 8.14, 8.19, 8.25, and 8.29. The drawing also includes a north arrow pointing towards the top right and a cross-section line labeled "X-X".
